

Community Workshop #7

Join the Red Hook West Resident Association to wrap up the first phase of this community planning process!

- Hear an overview of the **Rethink Red Hook West Community Visioning Report**, summarizing resident feedback from the past nine months and outlining potential design strategies through the PACT program
- Learn more about **next steps in the process**, including the NYCHA Request for Expressions of Interest (RFEI) process to select PACT partners, and how to stay involved moving forward

 Interpretation will be available in Español, 中文 (简体/繁體), and 한국말 .

- This meeting is open to Red Hook West residents only.
- Following the meeting, a digital copy of the report will be available online at redhookwestpact.com
